Dear Mr. Braxton:

This letter is provided to formally notify the Division that my company, Thomas J. Peck and Sons, Inc., no longer operates the Nephi Gypsum mine (M/023/011). We ceased operating the mine site as of (date) NOVEMBER, 1990.

Having due authority to represent Thomas J. Peck and Sons, Inc., I am requesting that the original mine permit be formally transferred to the current operator (company/corporation/individual) JACK DANZIE - RST. STEEL and that Thomas J. Peck and Sons, Inc. no longer be held responsible for the activities taking place on site.

It is my understanding that on May 13, 1992, the Division received a replacement reclamation surety in the amount of \$17,900 from Anthony Thomas Peck. I have enclosed the Permit Transfer form which has been signed and notarized. I would appreciate your assistance in helping Thomas J. Peck and Sons, Inc. complete this permit transfer, effectively releasing us from any further operational and reclamation responsibilities at this mine site.
